Mar-Tek Industries
Custom Precision Printed Graphics
Diecut Gaskets and Insulators

OVERLAYS
At Mar-Tek, we manufacture attractive and durable overlays to best fit your unique application. Mar-Tek provides Overlay surfaces ranging from a smooth glossy finish to textured, velvet/matte finishes that don’t easily show fingerprints.

GASKETS & SHEILDING
Mar-Tek’s precision cutting capabilities allow us to evenly and cleanly cut thick and flexible materials. We offer steel rule die cutting and specialty adhesives to create a quality completed component for your unique use.

LABELS
Mar-Tek manufactures a large variety of labels including safety-warning labels, variable data, UL and CSA approved, tamper evident, presented either in roll form or sheet fed and kiss-cut, or individually cut and packaged.

SCREEN & DIGITAL PRINTING
At Mar-Tek, our design team works from engineering prints/drawings and custom specifications to create tight precision graphics on a wide variety of materials.

DECALS
Mar-Tek provides wide format digital printing, screen printing, steel rule die cutting and laminating of your decal for extra durability. At Mar-Tek we use only high PSA Vinlys from industry leading manufacturers such as Flexcon, 3M and Avery.

DIMENSIONAL OBJECT PRINTING
At Mar-Tek, each of our panel printing specialists have over 20 years of quality experience.
Mar-Tek Industries, Inc. Material and Construction for Product Applications

Mar-Tek has experience and expertise in constructing the best solution for your unique product’s application. We have many of the following materials in stock, and quick ship arrangements with a number of high quality and responsive materials suppliers to help us meet your needs. Please see Mar-Tek’s Underwriters Laboratories (UL) and Canadian Standards Association (CSA) at www.mar-tekind.com. A partial listing of available materials is presented below.

CUSTOM COLOR MATCHING
At Mar-Tek Industries, creating close color matches, regardless of the substrates involved, is a skill developed by years of experience.

EMBOSSING
Our in-house embossing and thermal cutting equipment is engineered to produce images consistently and cleanly.

LAMINATING
Mar-Tek has four separate laminating stations and qualified staff ready to produce your graphics to exacting specifications.

PRECISION DIE CUTTING
Mar-Tek has two precision clam shell presses, each capable of cutting materials within tolerances of +/- .010”.

PRODUCTION ARTWORK
Mar-Tek has on-site full prepress capabilities to quickly prepare artwork for printed part production.

ASSEMBLY & KITTING
Mar-Tek is here to support you even further with additional services to create added value for our customers.
